

ZWEI GEMERGTE SIMULATIONEN ALS EINE

Version: Oksimo v0.11.4133f

Enter the name of the wanted simulation:

> zeit1-time1-1

Enter maximum number of simulation rounds

> 15

Your vision:

none

Initial states:

Gerd ist zu Hause., Es ist 7:00h., It is 7 a.m., Gerd schläft., Ada is in her home., Ada is sleeping.

Round 1

Current states: Gerd steht auf und macht sich fertig., The alarm rings., Ada gets up and is getting ready., Der Wecker klingelt.

0.00 percent of your vision was achieved by reaching the following states:

None

Round 2

Current states: Ada drives to her office.,Gerd fährt ins Büro.

0.00 percent of your vision was achieved by reaching the following states:
None

Round 3

Current states: Ada is working.,Gerd ist im Büro.,Ada is in her office.,It is morning.,Gerd arbeitet.,Es ist Vormittag.

0.00 percent of your vision was achieved by reaching the following states:
None

Round 4

Current states: Ada meets her team during lunch.,Gerd trifft sein Team beim Essen.,It is lunchtime.,Es ist Mittag.

0.00 percent of your vision was achieved by reaching the following states:
None

Round 5

Current states: Es ist Nachmittag.,Ada is in the lab.,It's afternoon.,Gerd macht Experimente.,Ada makes some experiments.,Gerd ist im Labor.

0.00 percent of your vision was achieved by reaching the following states:
None

Round 6

Current states: Ada drives home.,Es ist nach 18:00h.,It is later than 6 p.m.,Gerd fährt nach Hause.

0.00 percent of your vision was achieved by reaching the following states:
None

Round 7

Current states: Gerd ist zu Hause.,Gerd geht schlafen.,Es ist nach 23:00h.,Ada is in her home.,It is later than 11 p.m.,Ada goes to sleep.

0.00 percent of your vision was achieved by reaching the following states:
None

Round 8

Current states: Gerd ist zu Hause.,Es ist 7:00h.,It is 7 a.m.,Gerd schläft.,Ada is in her home.,Ada is sleeping.

0.00 percent of your vision was achieved by reaching the following states:

None

Round 9

Current states: Gerd steht auf und macht sich fertig.,The alarm rings.,Ada gets up and is getting ready.,Der Wecker klingelt.

0.00 percent of your vision was achieved by reaching the following states:

None

Round 10

Current states: Ada drives to her office.,Gerd fährt ins Büro.

0.00 percent of your vision was achieved by reaching the following states:

None

Round 11

Current states: Ada is working.,Gerd ist im Büro.,Ada is in her office.,It is morning.,Gerd arbeitet.,Es ist Vormittag.

0.00 percent of your vision was achieved by reaching the following states:

None

Round 12

Current states: Ada meets her team during lunch.,Gerd trifft sein Team beim Essen.,Es ist Mittag.,It is lunchtime.

0.00 percent of your vision was achieved by reaching the following states:

None

Round 13

Current states: Es ist Nachmittag.,Ada is in the lab.,It's afternoon.,Gerd macht Experimente.,Ada makes some experiments.,Gerd ist im Labor.

0.00 percent of your vision was achieved by reaching the following states:

None

Round 14

Current states: Ada drives home.,Es ist nach 18:00h.,It is later than 6 p.m.,Gerd fährt nach Hause.

0.00 percent of your vision was achieved by reaching the following states:
None

Round 15

Current states: Gerd ist zu Hause.,Gerd geht schlafen.,Es ist nach 23:00h.,Ada is in her home.,It is later than 11 p.m.,Ada goes to sleep.

0.00 percent of your vision was achieved by reaching the following states:
None
